

LADIES WFA CUP FINAL

The Ladies WFA Cup Final is planned for Sunday 31st May at Wembley Stadium.
The teams and time of the game will not be known until much nearer the time.
However we would like to plan on the off chance of being able to obtain tickets.
We therefore need to know if you would be interested in going, (no commitment at this stage).
We would need to know no later than 12th Feb.

I'm interested and would probably require:
